

YOUR BUSINESS NAME

Report by Trendwi

INTERNET STRATEGY

Whether you're starting fresh or upgrading, our goal is simple: Deliver a professional, clean, and functional website that speaks your brand language and drives results. We build with your users in mind — **why?** "Because in today's digital world, your website isn't just a presence — it's your silent salesperson, your brand's handshake, your digital office."

WEBSITE; FEATURES

Our **Web Design** service is all about “Designing a Website That Works as Hard as You Do”

Trendwi identifies Key Features of a Better Website, your virtual billboard.

- Once you /we unearth your dream website, we tailor your web presence to reflect your brand, drive traffic, and convert visitors into clients.

We design across industries and categories, including but not limited to: Business Websites, E-commerce, Portfolios, Personal Sites, Educational Platforms, Blogs, News & Media, Booking & Appointments, Directories, SaaS, Non-Profit, Events, Church/Ministry, Tech Start-Ups, and Betting Platforms.

What We Cover:

- Securing your domain & hosting, with SSL certificate
- Clean, responsive website design (mobile-first)
- SEO-ready structure to boost visibility
- Set up of domain-based email addresses
- Unlimited support (we walk with you)
- A strategic layout crafted to tell your story and drive conversions

Whether you're starting from scratch or revamping, this section ensures your website is not just attractive, but also strategic.

Trendwi Remarks:

- “First impressions happen online – let’s make yours unforgettable.”
- “They Google before they call. It’s time! Let them find you”

Renews at \$50 yearly (Domain + Hosting)
